

## **MystroX HRMS: Empowering Your Workforce**

### **A Comprehensive HR Solution by Burgan**

#### **Your Intelligent HR Partner in Kuwait & the Middle East**

#### **About Burgan National Information Systems Co.**

For over 40 years, Burgan, a Kuwaiti technology leader and Microsoft Partner, has delivered innovative, reliable solutions tailored to the unique needs of the region. With multiple certifications and a deep understanding of local markets, Burgan brings unparalleled expertise to **MystroX HRMS**.

#### **What is MystroX HRMS?**

**MystroX HRMS** is a cloud-based, Software as a Service (SaaS) Human Resource Management System designed specifically for Kuwait, the GCC, and the broader Middle East. Built in Kuwait, MystroX combines local expertise with cutting-edge technology to streamline HR operations, ensuring compliance, scalability, and ease of use for businesses of all sizes.

#### **Why Choose MystroX HRMS?**

##### **Kuwaiti & GCC Focus**

Unlike global templates, MystroX is a homegrown solution, meticulously crafted to meet the legal, cultural, and administrative needs of Kuwait and the GCC. Built-in government forms and compliance features ensure seamless adherence to local regulations.

##### **Comprehensive & Integrated**

From recruitment to retirement, MystroX offers a single, integrated platform for all HR functions, eliminating the need for multiple systems. Manage your workforce with a unified, efficient solution.

##### **Scalable SaaS Model**

With no upfront hardware investment, MystroX is cost-effective and scales effortlessly with your business, whether you're a startup or a large enterprise.

##### **Bilingual & User-Friendly**

Featuring an intuitive interface in **English** and **Arabic**, MystroX ensures accessibility for all users, from HR managers to employees, on both web and mobile platforms.

##### **Local Expertise**

Backed by Burgan's 40 years of experience, MystroX delivers reliability and quality, deeply rooted in the needs of the regional market.

## **Key Features & Modules**

### **HR & Core Workforce Management**

- **Employee Information Management:** Securely store and manage employee records, contracts, and credentials.
- **Organizational Chart:** Visualize and manage your company structure with ease.
- **Document Management & Archiving:** Create a paperless HR environment with digital document management.

### **Payroll & Financial Management**

- **Payroll Automation:** Handle complex, country-specific payroll calculations, deductions, and allowances.
- **Government Procedures & Forms:** Stay compliant with Kuwaiti and GCC regulations.
- **Indemnity Management:** Accurately calculate end-of-service benefits per local labor laws.
- **Loan Management:** Track and automate employee loan repayments seamlessly.

### **Time, Attendance & Performance**

- **Time and Attendance:** Track working hours, absences, and leave in real-time.
- **Appraisal and Performance:** Implement transparent performance management with customizable templates.
- **Training & Development:** Manage employee training programs and skill development.

### **Recruitment & Talent Management**

- **Recruitment:** Streamline hiring from candidate sourcing to onboarding.
- **AI-Powered Insights:** Leverage artificial intelligence for candidate matching and employee retention analytics.

### **Employee & User Experience**

- **Employee Self-Service:** Empower employees with a web and mobile portal to manage personal information, submit leave requests, and view payslips.
- **Alerts:** Stay informed with notifications for critical events like passport/visa expiry and residency renewals.

### **Who is MystroX HRMS For?**

MystroX is designed for businesses of all sizes across **Kuwait**, the **GCC**, and the **Middle East**. Its bilingual interface and localized features make it the ideal choice for organizations seeking a compliant, region-specific HR solution.

### **Why MystroX Stands Out**

- **Born in Kuwait:** A solution built with an intimate understanding of local regulations and business practices.
- **All-in-One Platform:** A seamless, integrated system for all HR needs.
- **Scalable & Accessible:** Cloud-based for fast implementation and growth.
- **Trusted Expertise:** Backed by Burgan's 40-year legacy of innovation.
